## ESTRANGEMENT

When a parent has failed in taking responsibility towards their children or has committed a proven misdeed resulting in their children's disengagement.

## PARENTAL ALIENATION

When a parent manipulates a child to reject the other parent without any justification. This malicious act is intended to keep children permanently away and erase them from the targeted parent and extended family.

## Further Information on Parental Alienation

- ‘Parent’ refers to both mother and father.
- 70% of targeted parents are fathers.
- Each case requires Parental Alienation expert attention.
- Parental Alienation impacts siblings, grandparents and close relatives.
- Those who need help, or can do some voluntary work, please contact us.
