

Virtual Beginners' Training on Project Development

We at Kopin (VO/0200) are offering your organisation a comprehensive **Virtual Beginners' training on Project Development for Voluntary Organisations**.

Customised training and guided simulation exercises will address the following topics: **How to conceptualise a good project? What is the Problem Tree Analysis & the Logical Framework Approach? Where to search for funding that is relevant for my VO? How can I build solid project partnerships?**

If your organisation is interested in learning more about project design and development, with a specific (but not exclusive) focus on EU funding, then this is the right training for you!

<u>Duration:</u>	<u>Training dates and times:</u>	<u>Price, incl. of VAT:</u>
20 hours	Training is offered virtually, using interactive platforms, at dates and times agreed with the trainees. Amount and duration of sessions will be tailored to your needs. Electronic training material will be provided.	€2,500.00

How to apply? Two easy steps...

STEP 1:

Get in touch with us via email (info@kopin.org) or phone (27567460 / 99400407) for more information. We will guide you through the application process (Step 2) and can also assist you in filling in the application form.

STEP 2:

Before noon of by 13th August 2021, fill in this application form: <https://vofunding.org.mt/funds/88>. Make sure you read all guidelines carefully and get in touch should you have any questions.
