Payments and contributions

Each Artist must pay a contribution of € 250 to the Malta Council for the Voluntary Sector which goes to the Volunteer Fund managed by the same MCVS.

Each Artist must contribute at least 15% on the sale of each piece of art sold during the exhibition to the selected Voluntary Organization.

The Artist may choose to contribute a 'commission' higher than 15%.

Managing the Exhibitions

The exhibitions are led by the Malta Council for the Voluntary Sector which through a Coordinating Board will accept requests and select the artists who will exhibit. The purpose of the Board is to present high level art while encouraging new artists.

This initiative will be carried out in collaboration with experts coming from the Art Sector who shall assist in the coordination of the artists, the role of curators of the exhibitions and assist in the promotion of the same exhibitions.

Both Voluntary Organizations and Artists can take the initiative and contact MCVS to put on an exhibition according to the time available.

Artists who do not have a Voluntary Organization preference will be assigned to an organization by the MCVS according to those organizations that show an interest in participating in this initiative.

Volunteer organizations in turn can find an Artist willing to exhibit for them or simply show interest in being part of an available list so artists can choose.

Each Artist can exhibit for a period of fifteen days.

The Artist and the Voluntary Organization are responsible for the opening during the exhibition.

Exhibition Location

Exhibitions can be put up in the spaces available in both the Valletta and Rabat, Malta Volunteer Centres.
