Open Day Rabat

As part of the initiatives taken by MCVS in support of the Voluntary Sector an open day was organised with the aim of meeting and supporting on a one-to-one basis organisations. Several other entities who support VO's were invited to be part of this open day and willingly supported this initiative. The entities involved were the Office of the Commissioner for VO's (OCVO), Servizzi Ewropej Malta (SEM); European Union Programmes Agency (EUPA); Aġenzija Żgħażaġħ; Arts Council Malta; and Environment and Resources Authority (ERA).

During the event, which was very well attended by a number of VO's all entities had one-to-one meetings giving information and discussing various issues including those related to funding lines managed by each entity. VO's also met the MCVS Officers working in the various areas of funding and volunteer support.
