Call for Voluntary Organisations who sell home-made products

The Malta Council for the Voluntary Sector is currently conducting an exercise whereby we're compiling a list of all enrolled voluntary organisations who produce and sell home-made items as part of their work in the community and/or during the Christmas season.

The main purpose behind this exercise is to start promoting their

products amongst other voluntary organisations and to the general public as well, in an endeavour to encourage VOs to support each other by buying from one another, especially Christmas gifts during this time.

Therefore, we're inviting voluntary organisations to submit all the relevant information here:

<https://forms.gle/GGhcD1S8eneADC4f7> to help make gift-buying more meaningful.

In case of any queries regarding this initiative, kindly send an email on **christina-marie.micallef@gov.mt**
