

ACF NGO Malta Programme. Bilateral Cooperation Initiatives Call for Applications.

SOS Malta announces an open rolling call for NGOs for the outcome “Enhanced collaboration between beneficiary and donor state entities involved in the Programme” under the ACF NGO Malta Programme.

The objective of the call is to support activities that enhance relations between Maltese NGOs and entities in the donor states (Iceland, Liechtenstein and Norway) while contributing to the overall objective of the Active Citizens Fund.

Bilateral cooperation initiatives are intended to finance short-term exchanges of experience, such as internships, study visits, short training courses and participation in workshops.

Applications must include a letter of intent from the entity in the donor country to participate in the initiative.

Potential applicants may submit a concept note and request feedback and assistance to identify a relevant bilateral donor country partner.
