

Introductory Meeting

The Housing Development Fund aims to re-invest the funds received into the design and development of community projects surrounding the new social accommodation.

These projects are intended to increase the general well-being of the local communities and visitors and commuters of the surrounding area.

Our Pillars

Environment

Education

Health & Wellness

Sports & Arts

Active & Accessible
Communities

Our Eco-System

The background of the image is a detailed architectural blueprint, likely a floor plan or structural drawing, rendered in a light blue color. The drawing shows various lines, grids, and annotations, including some circular callouts with numbers. A prominent orange-to-pink gradient box is centered over the blueprint, containing the text "Our Projects" in a bold, dark grey sans-serif font.

Our Projects

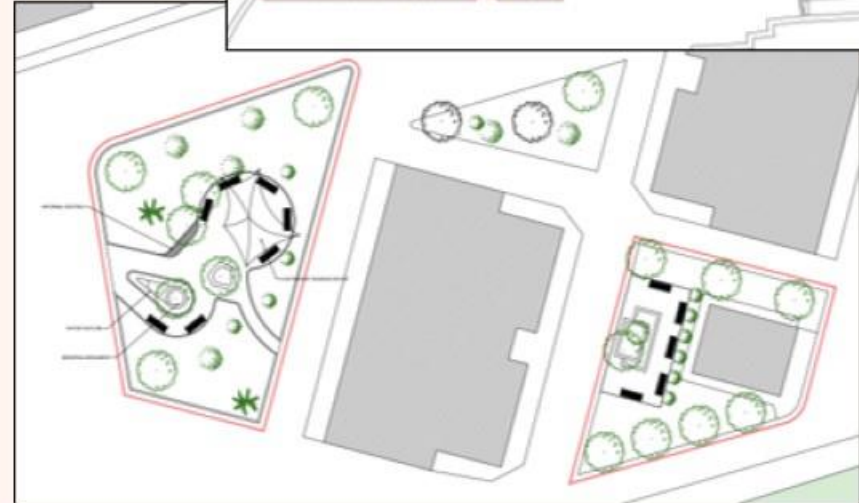

Care Plan Research Project: The Next Step in Housing Profiling

This research work project, in collaboration with the Faculty of Social Wellbeing at the University of Malta, helped in formulating a care plan formulated to assist housing applicants in their identified needs for a more qualitative life and enhanced life skill

Various Garden & Open Spaces Projects

The opening and upkeep of gardens and other open spaces in Mosta, Attard, and Kalkara to roof garden projects like the one at the West Street Housing estate in Valletta, HDF has been responsible for a variety of green projects from the start.

Sustainable Communities Housing Projects

The HDF Committee is responsible for overseeing these specialised housing initiatives to ensure that their individual NGOs' plans to improve social wellbeing in our communities are carried out.

Maintenance & Accessibility Projects

The HDF Committee aims to ensure the long-term functionality and inclusivity of infrastructure and facilities, benefiting both present and future generations, with examples such as the Qormi FC Dormitory Maintenance Project, Fgura United FC Ground Consolidation Project, Qormi Local Band Club Accessibility Project and FSWS' Equipment Project.

Other Projects

The HDF Committee is also looking to finalise projects and start new ones in sustainable & and community-related projects such as the following:

- Multi-Sensory Room Project
- Intergenerational Common Area Project
- Sports Therapy Project
- Financial Education Project
