Payments and contributions

In the case of a private Artist who wants to exhibit at the centre, s/he must pay a contribution of € 250 to the Malta Council for the Voluntary Sector which goes to the Volunteer Fund managed by the same MCVS.

Each Artist must contribute at least 15% on the sale of each piece of art sold during the exhibition to the selected Voluntary Organisation.

The Artist may choose to contribute a 'commission' higher than 15%.

Voluntary Organisations that would like to exhibition works, either of its members or clients, can do so free of charge. The VO in this case is encouraged to contact MCVS in order to create an agreement specifically tailored to the exhibiton proposed.

Managing the Exhibitions

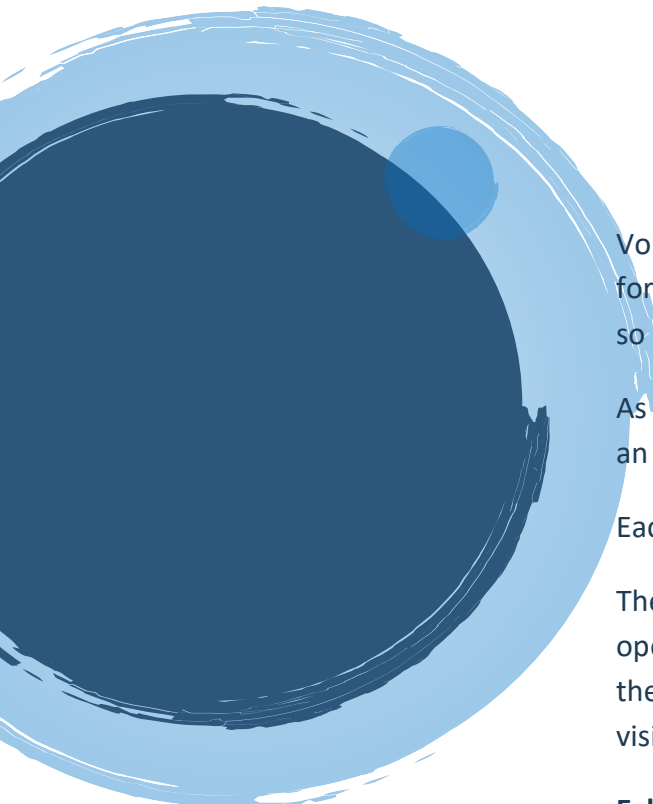

The exhibitions are led by the Malta Council for the Voluntary Sector which through a Coordinating Board will accept requests and select the artists who will exhibit. The purpose of the Board is to present high level art while encouraging new artists.

This initiative will be carried out in collaboration with experts coming from the Art Sector who shall assist in the coordination of the artists, the role of curators of the exhibitions and assist in the promotion of the same exhibitions.

Both Voluntary Organisations and Artists can take the initiative and contact MCVS to put on an exhibition according to the time available.

Artists who do not have a Voluntary Organisation preference will be assigned to an organisation by the MCVS according to those organisations that show an interest in participating in this initiative.

Volunteer organisations in turn can find an Artist willing to exhibit for them or simply show interest in being part of an available list so artists can choose.

As soon as the Artist and the VO are confirmed, MCVS will create an agreement with the established conditions for both parties.

Each Artist can exhibit for a period of fifteen days.

The Artist and the Voluntary Organisation are responsible for the opening during the exhibition, for the logistical management of the exhibition, of the spaces used within the Centre and of the visitors during the same exhibition.
