Raiders and Rebels in Medieval Gozo

On Saturday 13 April 2024 at 11:00, in collaboration with the Gozo University Group (GUG), Il-Ħaġar Museum will be hosting a public talk titled *Raiders and Rebels in Medieval Gozo*. Mr Charles Dalli will be delivering the talk as part of the Gozo Week events organised by the GUG.

The history of Gozo in the two centuries before the coming of the Knights is partly uncovered through a number of sources which are mostly fragmentary. Historians have to work around the absence of medieval Gozitan archives. Events in the 14th and 15th centuries cast light on acts of rebellion with repercussions well beyond the island's shores. Moreover, raiders added to a pattern of peril and instability which threatened the island's social continuity. Were the Kings of Sicily well informed about goings on in Gozo? How did the island fare under its feudal lords? Did Malta protect Gozo? Enough information survives to allow the historian to ask these questions and attempt to answer them.

Admission to the Museum is free. Reservations for the event is recommended by emailing: events@heartofgozo.org.mt.

Il-Ħaġar|Heart of Gozo Museum, Cultural Centre, and Community Space is run by Fondazzjoni Belt Victoria, a voluntary organisation registered in Malta (VO/0762), and a founder member of the Gozo NGOs Association (HNR0004)

Is-Sibt 13 ta' April 2024 fil-11:00

Attakki u Ribelljonijiet fil-Gżira Medjevali Għawdxija

Is-Sibt 13 ta' April 2024 fil-11:00, il-Mużew Il-Ħaġar fil-belt Victoria, Għawdex, f'kollaborazzjoni mal-Grupp Universitarju Għawdxin (GUG) ser jospita lil Charles Dalli li ser jagħti taħdita bl-isem *Raiders and Rebels in Medieval Gozo*. Din ser tkun parti minn ġimgħa ta' attivitajiet organizzata mill-istess GUG.

L-istorja ta' Għawdex fiż-żewġ sekli qabel il-wasla tal-Kavallieri hija biss parzjalment magħrufa minħabba nuqqas ta' provi kompluta. L-istoriċi jkellhom jippruvaw jaslu għall-fatti storici mill-ftit sorsi eżistenti. L-avvenimenti storiċi li ġraw fis-sekli erbatax u ħmistax jixhtu dawl fuq x'għara fir-ribelljonijiet li seħħew u r-riperkussjonijiet tagħhom anke barra minn xtutna. L-invażjonijiet kienu kaġun ta' periklu u nstabilità kontinwa għal-ħajja fuq il-gżira Għawdxija. Ir-rejiet ta' Sqallija kienu nfurmati dwar din is-sitwazzjoni f'Għawdex? Kif kienet il-kundizzjoni Għawdxija taħt is-sidien fewdetarji? Malta kienet tiproteġi lil Għawdex? Fuq bażi ta' informazzjoni li waslitilna s'issa, l-istoriku ser isaqsi u jipprova jwieġeb għal dawn il-mistoqsijiet.

Dhul għall-Mużew huwa b'xejn. Huwa rrakkomandat li tiriservaw il-post tagħkom billi tibagħtu email fuq: events@heartofgozo.org.mt.
